

Remarks for Mayor Finkbeiner
Tuesday, February 17 11:30 a.m.
Toledo's Mainstreet Bar & Grill
141 Main Street

Good morning.

Toledo's Mainstreet Bar & Grill has two main purposes -1) To provide Toledoans with a friendly venue in which to enjoy a great night out. 2) To promote and celebrate East Toledo's rich history.

Toledo's Mainstreet owners Terry and Gloria Carroll are two of the proudest East Toledoans you will ever meet. Not only are these two entrepreneurs lifelong East Side residents, but they also worked directly with members of the East Toledo Historical Society in planning the interior of this venue. As you can see, Toledo's Mainstreet

is a virtual shrine to East Side Toledo Pride. To Terry and Gloria, and Father Larry Michaels of the East Toledo Historical Society, I say – **"WELL DONE"**. Together, you have created a business that makes us all proud to be Toledoans.

Additionally, Terry and Gloria have created more than 30 full and part-time jobs with the opening of Toledo's Mainstreet. These two also own other successful East Side businesses, including The Bottom Line on Starr Avenue, and Beer 30 on Front Street—located a short distance away from Tony Packo's.

The Carrolls have been working with the Department of Development to open this

venue, and I want to thank Don Monroe, and
Dave Amstutz for their hard work in helping
the Carrolls open this establishment.

I would now like to ask Mainstreet co-owner
Terry Carroll to speak.
